Investigate careers

This activity is designed to help you investigate three careers to help you work out if any of the careers could suit you.

If you have a Morrisby account, use the Morrisby website to explore the three careers you chose at the end of the last session; go to **My Choices > Careers**.

- If you don't have a Morrisby account login to, you can use Your Career:
  https://www.yourcareer.gov.au/occupations

Choose three careers to investigate. If you complete the Interests questionnaire there is a list of Suggested Occupations, or search from the Occupations menu option. For each career:

- Find out what you would do in the job
- Look at what qualifications and/or experience you need to get into this role
- Check out what skills you need
- Consider where you could be working
- Use the links provided to extend your research
- Find out about salary from the relevant Your Career career profiles: www.yourcareer.gov.au/occupations
- Record your findings, for each career, by answering the questions that follow.
