

Lesson plan

My Morrisby Profile

40
Minutes

14-16
Age

Learning outcomes

By the end of the lesson students will:

- Develop an understanding of their strengths, career interests & preferences, personality and priorities
- Be aware that the level of qualification they achieve will affect the jobs they can enter
- Identify three careers to investigate in more depth

Summary of the lesson

This session is appropriate for students who have completed a full Morrisby assessment of their aptitudes, career interests and personality:

- Students login to their Morrisby account to view their results
- They reflect on their profile and the suggested careers
- Students can change their intended qualification level to note how this affects their career suggestions and subject suggestions
- They answer the **Priorities** questionnaire

Further investigation of individual careers can be carried out at this stage – or it can be delivered as another session. Students record their responses to their profile and career suggestions in the Form or worksheet **My Morrisby Profile**.

Classroom requirements

- Interactive whiteboard
- Computer/device per student
- Paper and pens for each student
- **My Morrisby Profile** form/worksheets, one per student

Suitable for students aged

14-16

Time required to complete tasks

40 mins

Skills Builder Universal Framework

Lesson activities

1. Starter activity

Remind students that they completed a Morrisby assessment recently. Today they will view their results, complete an optional questionnaire called **Priorities**, and record their reaction to their profile and career suggestions in a Form or worksheet.

Students login to their Morrisby account at www.morrisby.com with their username and password and view (or review) their results:

- To view results, students select **About Me** and look through the different sections (Aptitudes, Interests etc)
- They must select the qualification level they hope to achieve before the career suggestions display
- Encourage students to experiment with their qualification to observe how their careers list is affected

Time
required

15
Min

Resources

Computer/device per student

2. Priorities questionnaire

Students answer the **Priorities** questionnaire to identify the drivers that will give them job satisfaction.

Time
required

10
Min

Resources

Priorities is in the **About Me** area of their account

3. Results

Students respond to their results.

Note: Schools using Tracker have access to the Form; schools that don't use Tracker may use the worksheet.

Students complete the Form or worksheet **My Morrisby Profile**:

- To record their responses to their profile and career suggestions
- To identify three careers for further investigation

Time
required

15
Min

Resources

The Form **My Morrisby Profile** is in a student's Morrisby account in **Progress > Activities > My Morrisby Profile** OR handout the worksheet **My Morrisby Profile**

Differentiation

Some students may need support in interpreting their results.

If they have time, students can explore their personalised subject suggestions in **My Choices > Qualifications > Options at 16** and alternative routes at 18 in **My Choices > Destinations > Options at 18**.

Extension activities

Investigation of career suggestions – students use the Form or worksheet **Investigate Careers** to record the results of their investigation into three careers. This could be set for homework or done in a second session.

Students can add completion of the Forms or worksheets **My Morrisby Profile** and **Investigate Careers** as a goal in their Morrisby account. Don't forget you need to allocate these Activities to the students for them to have access to these forms.
